SECTION OF DALLAS PARKWAY CLOSED STARTING TODAY THROUGH NOVEMBER 3

(October 25, 2005) Beginning today, Tuesday, October 25, the inside, northbound lane of Dallas Parkway (future Dallas North Tollway) from Lebanon to Platinum will be closed from 7 a.m. to 3:30 p.m. The lane closure will remain in place each day, during the specified hours, through Thursday, November 3, with the exception of Sunday, October 30.

The closure is necessary while construction crews hang bridge beams on the DNT across the BNSF railroad tracks. During this process, the northbound to southbound u-turn lane may also be closed to accommodate the beam hanging. There may also be short periods of time (less than 10 minutes) when northbound Dallas Parkway is completely closed while the contractor removes the beams from the trailers.
